Aging Services Network

ADS maintains a local agreement with
three sponsors

Who are they? What do they do?

ADS Mission

The mission of Aging and Disability Services is to develop a community that promotes quality of life, independence, and choice for older people and adults with disabilities in King County

ADS Area Plan on Aging

- ▶ Guides the work of ADS for the next four years
- ▶ Reflects the needs of our community and highlights goals for developing elder-friendly communities
- ▶ Contains 55 objectives
- ▶ Includes a budget of \$37.6 million

Aging Service Network Saves Money!

WA State's successful long term care system ranks 2nd in the nation.

Our system is popular, provides choice of settings and is cost effective. WA State ranks 32nd in per capita spending on long term care.

The move away from expensive nursing home to community based services has saved \$3.34 billion.
